# About **AKI GLOBAL**

AKI Global is committed to empowering students and professionals by opening doors to global education pathways, leadership development, and internationally recognized qualifications. In an increasingly interconnected and competitive world, our focus is on nurturing individuals who are not only academically strong but also globally aware, adaptable, and future-ready. Through carefully curated programs and strategic collaborations with international academic institutions and professional bodies, AKI Global provides learners with meaningful exposure to global business environments, practical learning experiences, and industry-aligned skill development. Students are guided to build strong capabilities in:

- ✓ Global business perspectives
- ✓ Leadership and communication excellence
- ✓ Strategic thinking and decision-making
- ✓ Industry-relevant professional competencies
- ✓ Cross-cultural adaptability and global mindset

## **OUR VISIONARIES**

The AKI Global MBA program is committed to shaping future leaders by nurturing strong academic foundations, a global outlook, and the ability to lead with vision and integrity. In today's fast-evolving business landscape, success belongs to those who think innovatively, act with responsibility, and embrace global opportunities with confidence. I encourage every student to pursue this path with determination and strive to become impactful leaders of tomorrow.

**Mr. Hani Ahmed Farid**  
General Secretary, Y & M AKI Trust

At AKI Global, we believe that true management education is strengthened through practical exposure and real-world learning. In today's competitive environment, students must go beyond classroom knowledge and engage in internships, industry interactions, and experiential learning. Such experiences help develop critical thinking, problem-solving abilities & professional confidence, enabling students to connect theory with practice and prepare for the challenges of the corporate world.

**Mr. Mansoor Mehta**  
Trustee, Y & M AKI Trust

In today's interconnected world, management education must embrace global thinking, innovation, and adaptability. AKI Global strives to equip students with the knowledge, skills, and global outlook needed to thrive in a competitive international environment. By encouraging academic excellence, leadership & continuous learning, it prepares students to face emerging challenges with confidence and contribute meaningfully to society.

# OUR COLLABORATIONS

## X CULTURE

The X-Culture program is a Global Collaboration Course that combines theoretical training with practical experience. Over the course of two months, students from 140 universities across 43 countries on 6 continents collaborate in virtual teams to create high-quality business plans for multinational companies.

By participating in X-Culture, our students gain valuable insights into the complexities of globalization and business challenges, allowing them to provide practical solutions to real-life problems faced by companies. This experience not only deepens their theoretical understanding but also equips them with the skills to solve global business issues.

## PARTICIPATING COMPANIES

## AIESEC

We are proud to announce our strategic partnership with AIESEC, the world's largest youth-led organization, aimed at broadening global exposure and experiential learning opportunities for our students. This collaboration provides access to international internships, cultural exchange programs, and leadership development platforms across the globe. As a remarkable outcome of this partnership, Mr. Siddiqui Maaz Aarzo Ahmed, one of our meritorious students, has successfully participated in the Youth Exchange Program organized by AIESEC in Egypt. Through such initiatives, we continue to foster globally aware, industry-ready professionals equipped to thrive in an interconnected world.
